

THE NEW
X7

A dark grey Volvo SUV is shown from a side profile, parked on a paved terrace. The car is positioned in the middle ground, with its front facing left. Behind the car, there are several tall palm trees and lush greenery. In the background, a large, rugged mountain rises under a cloudy sky. The foreground consists of a paved area with large, light-colored rectangular tiles. To the right of the car, there is a large, light-colored concrete structure that looks like a low wall or a bench. The overall scene is set in a tropical or coastal environment.
